## Dubai Free Zone Company

### Dubai Free Zones - 100% Foreign Owned Company

The Free Trade Zones have been set up with the specific purpose of facilitating investment. The procedures for investing in the zones are relatively simple. The companies operating in the Free Zones are treated as being offshore companies or outside the UAE for legal purposes. The free zones are suitable for companies intending to use UAE as a regional manufacturing or distribution base.

## Dubai Banking

IGC has been assisting clients to establish and administer offshore and international bank accounts and has developed useful expertise in identifying and working with suitable offshore banks and international banks. By the very nature of our business we are exposed to a wide range of offshore banks and international banking activities. We have lasting relationships with leading international financial institutions and investment advisors. IGC supports its clients to expand and improve their business by providing expert services through a proven and secure platform.

## Dubai Residency Visas

Our process ensures precision and speed and above all ensures that the process is conducted smoothly and provides for a one stop solution that results in our clients not being burdened by administrative issues and multiple trips to and from the Authorities.
